Our Vindication

By the triumphant election of John K. Tener as Governor of Pennsylvania both he and his home town are vindicated. Both were the victims of unprecedented and unwarranted slanders and underhanded attacks, and both now have received a justification at the hands of the electorate of the State of Pennsylvania. Out of the crucible of the worst vituperation and slander that human agency could devise, both have emerged triumphant.

Whatever attacks were made against John K. Tener, the people of Charleroi remained his steadfast friend and supporter, and resented the imputations most vigorously. This indorsement by his home people was a source of strength and comfort to Mr. Tener, who was assailed, to a degree that seldom falls to the lot of man. That Mr. Tener received the practical unanimous support of his home town is evidenced by the vote at the polls yesterday, where but a small handful cast their ballots against him. In the election of Mr. Tener as Governor of the State of Pennsylvania an honor has been conferred upon the town as well as upon a capable and worthy candidate who will make good.

ELECTRIC SPARKS

Only once is a man perfect. That's when he is in his coffin.

The model husband is the man who will call up his wife about 9 o'clock on a rainy wash day morning and condole with her because she had to take down the clothes.

ENTHUSIASM MANIFESTED

Chsrleroi People go Wild When Returns Come In.

Wild enthusiasm prevailed in Charleroi last night when the returns began coming in, which indicated John K. Tener's election for Governor. After the close of the polls large crowds congregated on the streets, and assembled in front of the Palace Theatre, where election returns were flashed from the balcony of the theatre to a canvass across the street. Returns were received from various sources in the town, and were disseminated by telephone as well as by wire in all quarters. Special wires were run into the Elks club and at Republican headquarters which had been transferred for the occasion to the Business Men's Association rooms in the Kirk and Clark building. Returns also received over the wire at the Western Union office in the Mail building, where a large crowd assembled.

It was the Republican headquarters where the most of the interest centered, and where Mr. Tener, the Republican candidate for Governor spent the most of the time while the returns were coming in. Up until after midnight the room was packed, the crowds coming and going constantly. When Mr. Tener arrived shortly after 8 o'clock enough returns had been received to indicate his election and he was greeted with cheers and cries of "Governor." He preserved his usual quiet demeanor and soon a flood of queries and later congratulation began to arrive.

Later in the evening contingents from nearby towns and election precincts began dropping in to bring returns from their respective districts and to learn results. A telegraph instrument and two telephones from the Bell and one from the local lines kept that many operators busy and the returns were taken down and tabulated, which gave figures on which to base results. While the final result in the State was generally indicated, it was not until 2:30 this morning that State Chairman Walton called Mr. Tener up on the long distance 'phone from Philadelphia, and assured him that returns arrived from all the counties in the State at that hour indicated his election by 30,000 or more. This was considered official and the anxious crowd began to disperse, Mr. Tener remained until about 3 o'clock, when he repaired to his home.

During the earlier part of the evening crowds of enthusiasts paraded the streets, giving vent to campaign cries and songs. Several improvised glee clubs appeared at headquarters during the evening and voiced their enthusiasm in appropriates campaign songs. One of these led by "Honey" Wagner prodied Berry and Wanamaker, and was executed with a final war dance. Outside the large electric sign across Fifth street, bearing the inscription, "For Governor, J. K. Tener" which had been in comission since the opening of the campaign, was changed to "Governor J.K. Tener." Practically half the population of the town did not go to bed uotil the wee small hours, and they are a sleepy but jubilant lot today.

Entertains at Home on Crest

Mrs. Mary Nicholson of Crest avenue entertained at her home last evening with a 10 cent social. The affair was given under the auspices of the Lady Maccabees and was well patronized by representatives of the orders. About 125 guests were present. The evening was spent in social conversation, recitations and instrumental music. A delicious lunch was served.

EVINCES HIS PLEASURE

Statment Issued Early This Morning by Mr. Tener.

Shortly before leaving for his home this morning Mr. Tener issued the following statement:

"Latest returns from all over the State would indicate a majority for the Republican State ticket. This is indeed encouraging to those who believe in Republican principles. It is a deserved blow to those who for their own selfish ends, attempted to tear down all that our grand old party has stood for—the protection of American industries and the welfare of the people. Aside from the fact that I feel deeply grateful for the honor that has been conferred upon me, as indicated by the returns, it is a high tribute to my friends all over the state who have been untiring in their efforts in my behalf, and who from the beginning were loyal, and to them and to all those who today supported my candidacy, I beg to express my heartiest appreciation of their effort."

MUCH FOR WHICH AMERICAN PEOPLE CAN GIVE THANKS

The vigorous growth and progress of the country as rejected by the records of population and harvests, and the general conditions of international peace, are things for which thanksgiving is especially due for the year 1910, according to the annual Thanksgiving Day proclamation issued by President Taft on Monday. The proclamation is as follows:

"This year of 1910 is drawing to a close. The records of population and harvests, which are the index of progress, show vigorous national growth, and the health and prosperous well-being of our communities throughout this land and in our possessions beyond the seas. Those blessings have not descended upon us in restricted measure, but overflow and abound. They are the blessing and bounty of God.

"We continue to be at peace with the rest of the world. In all essential matters our relations with other people are harmonious, with an ever-growing reality of friendliness and depth of recognition of mutual dependence. It is especially to be noted that during the past year great progress has been achieved in the cause of arbitration and the peaceful settlement of international disputes.

"Now, therefore, I, William Howard Taft, president of the United States, of America in accordance with the wise custom of the civil magistrate since the first settlements in this land and with the rule established from the foundation of this government, do appoint Thursday, November 24, 1910 as a day of national thanksgiving and prayer enjoining the people upon that day to meet in their churches for the praise of Almighty God and return heartfelt thanks to Him for all His goodness and loving kindness.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the City of Washington, this fifth day of November, in the year of our Lord one thousand nine hundred and ten, and of the independene of the Unied States the one hundred and thirty-fifth.

"WILLIAM H. TAFT."

By the President.

Alvey A. Adee, Acting Secretary of State.

Tener Loses Monessen

Monessen voted against Tener at the election yesterday. The results in all the precincts was 25 plurality for Berry.

MATTHEWS ELECTED

Washington County for Berry by Possibly 800.

With returns from 128 of the 137 precincts in Washington county to hear from at noon today, Berry was leading Tener for Governor by about 800. Complete returns are not expected to materially change these figures. Charles A. Bentley leads Post, his Democratic-Keystone opponent by about 570 and his election seems assured Charles Matthews, Republican candidate for Congress, is about 200 ahead of Wilson, his Democratic-Keystone opponent, and is expected to be elected in the district, as returns indicate that he is ahead in Lawrence county but behind in Beaver. It is probable that A. H Anderson, Republican candidate for Senator, is defeated, as he is only from 400 to 500 ahead of Judson, his Democratic-Keystone candidate opponent, who has carried Greene county, which went Democratic.

Both Beaver and Lawrence counties of the Twenty fourth Congressional District gave majorities for Berry.

NORTH CHARLEROI GOES STRONG FOR REPUBLICAN TICKET

J. K. Tener carried North Charleroi by a plurality of 78 votes over Berry. The vote was as follows:

Governor—Tener R. 109; Grim, D. 4; Larkin, 2; Slayton P. 7; Berry 31.

Lieutenant Governor—Reynolds, R. 104; Greery, D. 2; Gibboney, K. 28.

Secretary of Internal Affairs—Houck R. 96; Blakslee, D. 17; Huntington, 5; Sykes, S. 8; Erwin, Industrialist 1; Casey 18.

Congress—Mathews, R. 97; Wilson, D. and K. 32; Marquis, P. 5; Collins, S. 9

State Senator—Anderson, R. 100; Judson, R. and K. 29; Smith, P. 6; Decamp, S. 8.

Assembly—Bentley, R. 92; Holland, R. and K. 95; Feeney, R. and K. 96; Linn, D. 24; Johnston, D. 15; Post, D. and K. 17; McConnel, P. 4; Van Voorhis, P 15; Stout, P. 3; Bruce, S. 9.

Training for Boxing Show at Monessen

Some hard training is being done for the boxing show to be held next Saturday night in the Monessen opera house and the best exhibition ever held there is promised. Prof. Al. Martin, director of the local gymnasium is making things hum in the preparation for the event and the fans of the valley are getting in readiness for the treat. Martin will box with Tommy Trimble, the Pittsburg boy, in the final event and the bout will be a fast one.

One of the interesting preliminaries will be between Paul Verteles the local Slavish boxer and Frank J. Fagan an Irish boy, who is expected to give a good account of himself. Fagan is training under Martin's direction and the two are working hard.

Browne O'Toole, a local favorite, is to appear against Wm. Coulter of Charleroi, at 122 pounds and another good exhibition is promised in this number. O'Toole's friends are backing him to out-point the Charleroi boy and he will endeavor to make good. There will be another preliminary between Young Paps, the boxing Greek, and Young O'Brian, of Pittsburg. The show will start at 8:30 and the admission will be 25, 50 and 75 cents.

Donora's Big Plurality

Next to his home town of Charleroi in the election yesterday, Donora gave John K. Tener the largest plurality of any of the towns in the county. The total vote was 670 for Mr. Tener to 201 for Berry.

Mrs. Samuel Pardoe returned home yesterday from Morgantown, where she visited her son Edgar Pardoe.

TENER ELECTED GOVERNOR BY PLURALITY OF 30,000

Charleroi Man Together With Whole State Republican Ticket Choice of Pennsylvania Voters.

John K. Tener is elected Governor by about 30,000 plurality, and with him is elected the entire State ticket. Pennsylvania, alone among almost all of the other States remains in the Republican column.

Philadelphia gives the Republican ticket a plurality over Berry of 45,201 and Allegheny county gives Tener a plurality of about 10,000. Berry the Keystone candidate for Governor is second in the race, Grim the Democratic candidate being almost entirely eliminated in the State. The Keystone people at a late hour this morning declared the vote close and they still claimed the election of Berry but returns from Republican headquarters, received from every county in the State show that Berry is beaten, and that Tener's plurality is about as indicated.

Returns indicate that the Republicans have lost five or six Congressman in the State and Charles Mathews, the Republican nominee to succeed Congressman J. K. Tener in the Twenty-fourth district, is a probable winner by a small plurality. McJunken, the Republican candidate of the Twenty-second district, Westmoreland and Butler, is defeated by C. H. Gregg, Democrat. Returns from the Senatorial and Legislative districts are not sufficient to indicate whether the Republicans have lost control of the Legislature.

Returns from other States indicate a clean sweep for the Democrats. Dix, the Democratic candidate for Governor of New York is elected Governor over Stimson, Republican, by an estimated majority of 100,000 or more, thereby defeating Col. Roosevelt in his campaign. New Jersey, Ohio and Connecticut, indicate that all have gone Democratic.

Popular Young Druggist Called by Grim Reaper

Clyde Nelson Hormell, 31 years old, son of Mr and Mrs. Jacob Hormell of 125 McKean avenue died yesterday afternoon at his home, after three years of suffering. The funeral will be held Thursday at 12 o'clock, the services at the home to be conducted by Rev. F. A. Richards, pastor of the Methodist Episcopal church. Interment will be in the Highland cemetery near California. His wife, Margaret Hormell and daughter Mary Isabell with the parents survive. Mr. Hormell was graduate of the Western Pennsylvania School of Pharmacy at Pittsburg and for a time conducted a store in Roscoe. He formerly was employed by F. M. Warnock as a druggist in his Charleroi store.

Spending Day at His Office

Congressman Tener Has Nothing to Add to This Morning's Statement.

Governor-elect John K. Tener is spending today at his office in Charleroi, where he is receiving more complete returns indicating his election to the highest office in the State. He has already received hundreds of congratulatory telegrams, and they are still coming in at a rapid rate. Mr. Tener is thoroughly tired after his campaign and intends to spend a few days in Charleroi resting and recuperating. He will then probably take a little trip.

When seen this morning Mr. Tener said: "I have nothing to add to what I have already said to the effect that from the beginning I have been confident of my election and had every faith in the Republican voters of Pennylvania. We are undoubtedly satisfied with existing conditions.

Game Supper Is Enjoyed by Many Elks

About 300 members of the Charleroi Elk's club attended the annual game supper and banquet last night at the club house. The affair was the outcome of the recent hunting contest of sides captained by Loraine Hopkin and R. J. McKean, in which the former won. The hunters of McKean's side had the pleasure of waiting on the table as a result of their shortcomings and bum shooting ability and performed their stunt in fully as good form as did those who sat at the tables. S. C. Todd was the toastmaster. Election returns were received at the club.

MADAM CLIFFORD MAKING A HIT

Another large audience attended the performance of The Mysterious Madam Clifford at the Coyle Theatre last night and was just as mystified at her work as those attended the night before her work was just as fast and there was some questions that she would not answer as they were too personal and might embarass some of the people It is a performance in itself to hear some of the questions that are asked and it makes much merriment in the way they are answered.

The other members of the company in their different acts of vaudeville were received with as much applause as they were the night before and all worked out as hard. A matinee for ladies only was announced to be given on Thursday afternoon at 2:30.

CHARLEROI GIVES HOME CANDIDATE GOOD VOTE

Substantial Majority Shown for John K. Tener by Returns from all Three Local Precincts.

Charleroi again rolled up a big plurality for Congressam J. K. Tener at the election in the borough yesterday. Out of 1,096 cast, but of which but 1,082 were counted, Mr. Tener received 770, giving him a plurality over his next highest opponent, W. H. Berry, the Keystone candidate of 541, who received but 229 votes. This was less than many of the Republican workers had conceded to Berry, in view of the extravagant talk that Mr. Tener would have a hard fight to carry his own town.

Dozens of Tener workers manned the polls all day, and were distinguishable by wearing conspicuously displayed printed badges, bearing the inscription, "Why not be loyal to Charleroi today?" Owing to some sort of a mix up, which is blamed on the transcribing clerks at Washington, dozens of voters were not registered. This was the Keystone watchers' opportunity, and they challenged the unregistered ones pretty generally, compelling them to swear in their votes and make trips back home in search of tax receipts. In the second precinct the work of challenging was most active.

The election however, passed off without trouble and although the vote was infinitely larger than the usual number polled when no particular effort is made to get out the voters, it fell short by two or three hundred of those qualified to cast their ballot. The result in the various precincts is as follows:

GIBSONTON SENDS FIRST RETURNS TO HEADQUARTERS

The first returns to be received at the Republican headquarters in the Business Men's Association rooms last night were from Gibsonton. Dr. Harry Daly telephoned over the news and it showed that Tener had carried the town by votes of a purality over Berry. The returns for that place were as follows: Tener R., 15; Grim D, 4; Larkin P, 1; Slayton S, 8; Berry K, 7. The returns indicated the drift of sentiment, and from that time forth fhe friends of Mr. Tener had the utmost confidence in his election.

To Husband and Wife.

Preserve sacredly the privacies of your own house, your married state and your heart. Let no father or mother or sister or brother ever presume to come between you or share the joys or sorrows that belong to you two alone.

With mutual help build your quiet world, not allowing your dearest earthly friends to be the confidant of aught that concerns your domestic peace. Let moments of alienation, if they occur, be healed at once. Never, no, never, speak of it outside, but to each other confess, and all will come out right. Never let the morrow's sun still find you at variance. Renew and renew your vow. It will do you good, and thereby your minds will grow together contented in that love which is stronger than death, and you will be truly one.—National Magazine.

Dogs and Fleas.

If your dogs are troubled with fleas a very simple way to get rid of the pests is to provide beds of fresh cedar shavings or, better, cedar excelsior in the kennels or wherever the dogs sleep. The scent is not at all unpleasant to the dogs, but is abhorrent to the fleas. When a dog's coat gets thoroughly scented not only do the fleas leave him while asleep, but they will not jump upon him when he is out during the day. — Brooklyn Eagle.

Entirely Apt.

At first glance the novel's title, "The Rainbow," seemed to be lacking in significance, but as it afterward developed that the hero blushed crimson, was blue with the cold, had his lips grow gray, was seized by a black rage, fell into a brown study, grew green with envy, purple with indignation, livid with fear, yellow with chagrin and scarlet with embarrassment, the title proved to be entirely apt.—Puck.

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Aikey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Our Vindication

By the triumphant election of John K. Tener as Governor of Pennsylvania both he and his home town are vindicated. Both were the victims of unprecedented and unwarranted slanders and underhanded attacks, and both now have received a justification at the hands of the electorate of the State of Pennsylvania. Out of the crucible of the worst vituperation and slander that human agency could devise, both have emerged triumphant.

Whatever attacks were made against John K. Tener, the people of Charleroi remained his steadfast friend and supporter, and resented the imputations most vigorously. This indorsement by his home people was a source of strength and comfort to Mr. Tener, who was assailed, to a degree that seldom falls to the lot of man. That Mr. Tener received the practical unanimous support of his home town is evidenced by the vote at the polls yesterday, where but a small handful cast their ballots against him. In the election of Mr. Tener as Governor of the State of Pennsylvania an honor has been conferred upon the town as well as upon a capable and worthy candidate who will make good

ENTHUSIASM MANIFESTED

Chsrleroi People go Wild When Returns Come In.

Wild enthusiasm prevailed in Charleroi last night when the returns began coming in, which indicated John K. Tener's election for Governor. After the close of the polls large crowds congregated on the streets, and assembled in front of the Palace Theatre, where election returns were flashed from the balcony of the theatre to a canvass across the street. Returns were received from various sources in the town, and were disseminated by telephone as well as by wire in all quarters. Special wires were run into the Elks club and at Republican headquarters which had been installed for the occasion to the Business Men's Association rooms in the Kirk and Clark building. Returns also received over the wire at the Western Union office in the Mail building, where a large crowd assembled.

It was the Republican headquarters where the most of the interest centered, and where Mr. Tener, the Republican candidate for Governor spent the most of the time while the returns were coming in. Up until after midnight the room was packed, the crowds coming and going constantly. When Mr. Tener arrived shortly after 8 o'clock enough returns had been received to indicate his election and he was greeted with cheers and cries of "Governor." He preserved his usual quiet demeanor and soon a flood of queries and later congratulation began to arrive.

Later in the evening contingents from nearby towns and election precincts began dropping in to bring returns from their respective districts and to learn results. A telegraph instrument and two telephones from the Bell and one from the local lines kept that many operators busy and the returns were taken down and tabulated, which gave figures on which to base results. While the final result in the State was generally indicated, it was not until 2:30 this morning that State Chairman Walton called Mr. Tener up on the long distance 'phone from Philadelphia, and assured him that returns arrived from all the counties in the State at that hour indicated his election by 30,000 or more. This was considered official and the anxious crowd began to disperse, Mr. Tener remained until about 3 o'clock, when he repaired to his home.

During the earlier part of the evening crowds of enthusiasts paraded the streets, giving vent to campaign cries and songs. Several improvised glee clubs appeared at headquarters during the evening and voiced their enthusiasm in appropriates campaign songs. One of these led by "Honey" Wagner prodied Berry and Wausmaker, and was executed with a final war dance. Outside the large electric sign across Fifth street, bearing the inscription, "For Governor, J. K. Tener" which had been in comission since the opening of the campaign, was changed to "Governor J.K. Tener." Practically half the population of the town did not go to bed until the wee small hours, and they are a sleepy but jubilant lot today.

Entertains at Home on Crest

Mrs. Mary Nicholson of Crest avenue entertained at her home last evening with a 10 cent social. The affair was given under the auspices of the Lady Maccabees and was well patronized by representatives of the orders. About 125 guests were present. The evening was spent in social conversation, recitations and instrumental music. A delicious lunch was served.

EVINCES HIS PLEASURE

Statment Issued Early This Morning by Mr. Tener.

Shortly before leaving for his home this morning Mr. Tener issued the following statement:

"Latest returns from all over the State would indicate a majority for the Republican State ticket. This is indeed encouraging to those who believe in Republican principles. It is a deserved blow to those who for their own selfish ends, attempted to tear down all that our grand old party has stood for—the protection of American industries and the welfare of the people. Aside from the fact that I feel deeply grateful for the honor that has been conferred upon me as indicated by the returns, it is a high tribute to my friends all over the state who have been untiring in their efforts in my behalf, and who from the beginning were loyal, and to them and to all those who today supported my candidacy, I beg to express my heartiest appreciation of their effort."

MUCH FOR WHICH AMERICAN PEOPLE CAN GIVE THANKS

The vigorous growth and progress of the country as reflected by the records of population and harvests, and the general conditions of international peace, are doings for which thanksgiving is especially due for the year 1910, according to the annual Thanksgiving Day proclamation issued by President Taft on Monday. The proclamation is as follows:

"This year of 1910 is drawing to a close. The records of population and harvests, which are the index of progress, show vigorous national growth, and the health and prosperous well-being of our communities throughout this land and in our possessions beyond the seas. Those blessings have not descended upon us in restricted measure, but overflow and abound. They are the blessing and bounty of God.

"We continue to be at peace with the rest of the world. In all essential matters our relations with other people are harmonious, with an ever-growing reality of friendliness and depth of recognition of mutual dependence. It is especially to be noted that during the past year great progress has been achieved in the cause of arbitration and the peaceful settlement of international disputes.

"Now, therefore, I, William Howard Taft, president of the United States, of America in accordance with the wise custom of the civil magistrate since the first settlements in this land and with the rule established from the foundation of this government, do appoint Thursday, November 24, 1910 as a day of national thanksgiving and prayer enjoining the people upon that day to meet in their churches for the praise of Almighty God and return heartfelt thanks to Him for all His goodness and loving kindness.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the City of Washington, this fifth day of November, in the year of our Lord one thousand nine hundred and ten, and of the independene of the United States the one hundred and thirty-fifth.

"WILLIAM H. TAFT."

By the President.

Alvey A. Adee, Acting Secretary of State.

Sauer.

Tener Loses Monessen

Monessen voted against Tener at the election yesterday. The results in all the precincts was 25 plurality for Berry.

MATTHEWS ELECTED

Washington County for Berry by Possibly 800.

With returns from 128 of the 137 precincts in Washington county to hear from at noon today, Berry was leading Tener for Governor by about 800. Complete returns are not expected to materially change these figures. Charles A. Bentley leads Post, his Democratic-Keystone opponent by about 570 and his election seems assured Charles Matthews, Republican candidate for Congress, is about 200 ahead of Wilson, his Democratic Keystone opponent, and is expected to be elected in the district, as returns indicate that he is ahead in Lawrence county but behind in Beaver. It is probable that A. H. Anderson, Republican candidate for Senator, is defeated, as he is only from 400 to 500 ahead of Judson, his Democratic Keystone candidate opponent, who has carried Greene county, which went Democratic.

Both Beaver and Lawrence counties of the Twenty fourth Congressional District gave majorities for Berry.

NORTH CHARLEROI GOES STRONG FOR REPUBLICAN TICKET

J. K. Tener carried North Charleroi by a plurality of 78 votes over Berry. The vote was as follows:

Governor—Tener R. 109, Grim, D. 4; Larkin, 2; Slayton P. 7; Berry 31.

Lieutenant Governor—Reynolds, R. 104, Greery, D. 2; Gibboney, K. 28.

Secretary of Internal Affairs—Houck R. 96; Blakslee, D. 17, Huntington, 5; Sykes, S. 8, Erwin, Industrialist 1; Casey 18.

Congress—Mathews, R. 97, Wilson, D and K. 32; Marquis, P. 5; Collins, S 9

State Senator—Anderson, R. 100, Judson, R. and K. 29; Smith, P. 6; Decamp, S. 8.

Assembly—Bentley, R. 92; Holland, R and K. 95; Feeney, R. and K 96; Linn, D. 24; Johnston D. 15; Post, D. and K. 17; McConnel, P. 4; Van Voorhis, P 15; Stout, P. 3; Bruce, S. 9.

Training for Boxing Show at Monessen

Some hard training is being done for the boxing show to be held next Saturday night in the Monessen opera house and the best exhibition ever held there is promised. Prof. Al. Martin, director of the local gymnasium is making things hum in the preparation for the event and the fans of the valley are getting in readiness for the treat. Martin will box with Tommy Trimble, the Pittsburg boy, in the final event and the bout will be a fast one.

One of the interesting preliminaries will be between Paul Verteles the local Slavish boxer and Frank J. Fagan an Irish boy, who is expected to give a good account of himself. Fagan is training under Martin's direction and the two are working hard.

Browne O'Toole, a local favorite, is to appear against Wm. Coulter of Charleroi, at 122 pounds and another good exhibition is promised in this number. O'Toole's friends are backing him to out-point the Charleroi boy and he will endeavor to make good. There will be another preliminary between Young Paps, the boxing Greek, and Young O'Brian, of Pittsburg. The show will start at 8.30 and the admission will be 25, 50 and 75 cents.

Select Dancing School

Donora's Big Plurality

Next to his home town of Charleroi in the election yesterday, Donora gave John K. Tener the largest plurality of any of the towns in the county. The total vote was 670 for Mr. Tener to 201 for Berry.

Mrs. Samuel Pardoe returned home yesterday from Morgantown, where she visited her son Edgar Pardoe.

TENER ELECTED GOVERNOR BY PLURALITY OF 30,000

Charleroi Man Together With Whole State Republican Ticket Choice of Pennsylvania Voters.

John K. Tener is elected Governor by about 30,000 plurality, and with him is elected the entire State ticket. Pennsylvania, alone among almost all of the other States remains in the Republican column.

Philadelphia gives the Republican ticket a plurality over Berry of 45,201 and Allegheny county gives Tener a plurality of about 16,000. Berry the Keystone candidate for Governor is second in the race, Grim the Democratic candidate being almost entirely eliminated in the State. The Keystone people at a late hour this morning declared the vote close and they still claimed the election of Berry but returns from Republican headquarters, received from every county in the State show that Berry is beaten, and that Tener's plurality is about as indicated.

Returns indicate that the Republicans have lost five or six Congressman in the State and Charles Mathews, the Republican nominee to succeed Congressman J. K. Tener in the Twenty-fourth district, is a probable winner by a small plurality. McJunken, the Republican candidate of the Twenty-second district, Westmoreland and Butler, is defeated by C. H. Gregg, Democrat. Returns from the Senatorial and Legislative districts are not sufficient to indicate whether the Republicans have lost control of the Legislature.

Returns from other States indicate a clean sweep for the Democrats. Dix, the Democratic candidate for Governor of New York is elected Governor over Stimson, Republican, by an estimated majority of 100,000 or more, thereby defeating Col. Roosevelt in his campaign. New Jersey, Ohio and Connecticut, indicate that all have gone Democratic.

Popular Young Druggist Called by Grim Reaper

Clyde Nelson Hormell, 31 years old, son of Mr and Mrs. Jacob Hormell of 125 McKean avenue died yesterday afternoon at his home, after three years of suffering. The funeral will be held Thursday at 12 o'clock, the services at the home to be conducted by Rev. F. A. Richards, pastor of the Methodist Episcopal church. Interment will be in the Highland cemetery near California. His wife, Margaret Hormell and daughter Mary Isabell with the parents survive. Mr. Hormell was graduate of the Western Pennsylvania School of Pharmacy at Pittsburg and for a time conducted a store in Roscoe. He formerly was employed by F. M. Warnock as a druggist in his Charleroi store.

Spending Day at His Office

Congressman Tener Has Nothing to Add to This Morning's Statement

Governor-elect John K. Tener is spending today at his office in Charleroi, where he is receiving more complete returns indicating his election to the highest office in the State. He has already received hundreds of congratulatory telegrams, and they are still coming in at a rapid rate. Mr. Tener is thoroughly tired after his campaign and intends to spend a few days in Charleroi resting and recuperating. He will then probably take a little trip.

When seen this morning Mr. Tener said: "I have nothing to add to what I have already said to the effect that from the beginning I have been confident of my election and had every faith in the Republican voters of Pennsylvania. We are undoubtedly satisfied with existing conditions.

Chicken and Biscuit Supper

The Ladies Auxilliary of the Washington Avenue Boys' Brigade will serve supper in the basement of the Washington Avenue Presbyterian church on Thursday, November 10, from 4:30 to 8:30 p. m. Tickets 35 cents 74t6

Game Supper Is Enjoyed by Many Elks

About 300 members of the Charleroi Elk's club attended the annual game supper and banquet last night at the club house. The affair was the outcome of the recent hunting contest of sides captained by Loraine Hopkin and R. J. McKean, in which the former won. The hunters of McKean's side had the pleasure of waiting on the table as a result of their shortcomings and bum shooting ability and performed their stunt in fully as good form as did those who sat at the tables. S. C. Todd was the toastmaster. Election returns were received at the club.

MADAM CLIFFORD MAKING A HIT

Another large audience attended the performance of The Mysterious Madam Clifford at the Coyle Theatre last night and was just as mystified at her work as those attended the night before her work was just as fast and there was some questions that she would not answer as they were too personal and might embarass some of the people. It is a performance in itself to hear some of the questions that are asked and it makes much merriment in the way they are answered.

The other members of the company in their different acts of vaudeville were received with as much applause as they were the night before and all worked out as hard. A matinee for ladies only was announced to be given on Thursday afternoon at 2:30.

Mr. Hungry Man

Does this look good to you? Fresh country chicken, hot biscuits, baked beans, mashed potatoes and cranberry sauce for main entree, with cake, coffee, pickles, salads and celery. This is what you will get for 35 cents at the Boys Brigade supper at the Washington avenue Presbyterian church Thursday, November 10, from 4:30 to 8:30 p. m. 76t4

CHARLEROI GIVES HOME CANDIDATE GOOD VOTE

Substantial Majority Shown for John K. Tener by Returns from all Three Local Precincts.

Charleroi again rolled up a big plurality for Congressam J. K. Tener at the election in the borough yesterday. Out of 1,096 cast, but of which but 1,082 were counted, Mr. Tener received 770, giving him a plurality over his next highest opponent, W. H. Berry, the Keystone candidate of 541, who received but 229 votes. This was less than many of the Republican workers had conceded to Berry, in view of the extravagant talk that Mr. Tener would have a hard fight to carry his own town.

Dozens of Tener workers manned the polls all day, and were distinguishable by wearing conspicuously displayed printed badges, bearing the inscription, "Why not be loyal to Charleroi today?" Owing to some sort of a mix up, which is blamed on the transcribing clerks at Washington, dozens of voters were not registered. This was the Keystone watchers' opportunity, and they challenged the unregistered ones pretty generally, compelling them to swear in their votes and make trips back home in search of tax receipts. In the second precinct the work of challenging was most active.

The election however, passed off without trouble and although the vote was infinitely larger than the usual number polled when no particular effort is made to get out the voters. it fell short by two or three hundred of those qualified to cast their ballot. The result in the various precincts is as follows:

GIBSONTON SENDS FIRST RETURNS TO HEADQUARTERS

The first returns to be received at the Republican headquarters in the Business Men's Association rooms last night were from Gibsonton. Dr. Harry Daly telephoned over the news and it showed that Tener had carried the town by votes of a purality over Berry. The returns for that place were as follows: Tener R., 15; Grim D, 4; Larkin P, 1; Slayton S, 8; Berry K, 7. The returns indicated the drift of sentiment, and from that time forth the friends of Mr. Tener had the utmost confidence in his election.

To Husband and Wife.

Preserve sacredly the privacies of your own house, your married state and your heart. Let no father or mother or sister or brother ever presume to come between you or share the joys or sorrows that belong to you two alone.

With mutual help build your quiet world, not allowing your dearest earthly friends to be the confidant of aught that concerns your domestic peace. Let moments of alienation, if they occur, be healed at once. Never, no, never, speak of it outside, but to each other confess, and all will come out right. Never let the morrow's sun still find you at variance. Renew and renew your vow. It will do you good, and thereby your minds will grow together contented in that love which is stronger than death, and you will be truly one.—National Magazine.

Dogs and Fleas.

If your dogs are troubled with fleas a very simple way to get rid of the pests is to provide beds of fresh cedar shavings or, better, cedar excelsior in the kennels or wherever the dogs sleep. The scent is not at all unpleasant to the dogs, but is abhorrent to the fleas. When a dog's coat gets thoroughly scented not only do the fleas leave him while asleep, but they will not jump upon him when he is out during the day. — Brooklyn Eagle.

Entirely Apt.

At first glance the novel's title, "The Rainbow," seemed to be lacking in significance, but as it afterward developed that the hero blushed crimson, was blue with the cold, had his lips grow gray, was seized by a black rage, fell into a brown study, grew green with envy, purple with indignation, livid with fear, yellow with chagrin and scarlet with embarrassment, the title proved to be entirely apt.—Puck.

Mnemonica.

"Why do you always put a pitcher of water and a glass on the table before an orator?"

"That," said the chairman of many reception committees, "is to give him something to do in case he forgets his piece and has to stop and think."—Washington Star.

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Aikey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
